THE “WORLD PHYSIOTHERAPY DAY” 2012

The day, 7th September 2012, was the day which our endeavor became a reality. After all the barriers we suffered, the flower of our effort was ready to bloom.

22 schools were participating to witness our grand event, and many guests, including Prof. Dulithaa Fernando, Prof. Rohan Jayasekara, Dr. Ajith Malalasekara, Mrs. Theera Fernando blessed us with their presence.

About 8.00 a.m. we started the MCQ paper. Then, sharp at 9.00 o’clock, we commenced the “World Physiotherapy Day 2012” by lighting the oil lamp.

The Major events

QUIZ COMPETITION

- After a sharp competition, Richmond College won the finals and declared as the winner of the ‘World Physiotherapy Day 2012’ quiz competition.
- The Ananda College was come as runners up.
- The winners were awarded medals and trophies.

Awareness programme on Physiotherapy treatments

First Part of the awareness programme was introducing physiotherapy.”Introduction to Physiotherapy” was done by Mr. Suranga Dassanayake, lecturer, Allied Health Sciences Unit, Faculty of Medicine, University of Colombo. It was a very illuminating one, giving a basic knowledge about physiotherapy to the participants, whose majority was school children and teachers.

The second part was a presentation organized by 2008 A/L batch of BSc. Physiotherapy Degree programme. Their topic was “the RICE method” a first aid method regarding soft tissue injuries. They have presented it brilliantly, with using demonstrations. It got highly acknowledged by the participants.
