Physical therapy: a global profile

Information about the profession from the World Confederation for Physical Therapy's collection of data from member organisations, 2013

These maps represent geographical areas and not exact WCPT regions.

Countries in white represent member organisations that did not respond or countries without a WCPT member organisation.

Some countries are not represented due to map scale or software limitations rather than lack of data.

Asia
Western Pacific

Density of physical therapists

Physical therapists per 10,000 people

- Less than 1
- 1 to 5
- 5 to 10
- 10 to 15
- 15 to 20
