The International Organization of Physical Therapists in Women's Health (IOPTWH) is an official subgroup of the World Confederation for Physical Therapy (WCPT).

The executive committee officers are elected by member group delegates on a 4-yearly basis and the Organization has no employees. Preservation of privacy is important to us and we are committed to letting IOPTWH Delegates, Friends of IOPTWH and other interested parties know how we use their personal information.

We collect personal data from IOPTWH Delegates and Friends of IOPTWH. The data consists of their name, email address and the name of the IOPTWH member group of which they are a member (or country of residence for Friends). The data we collect is transferred onto a Word document which is stored in a Dropbox folder which can only be accessed by IOPTWH executive committee officers. Our database is not shared with any other organization.

We do not currently collect and retain any other personal data. Your entry in the Organization's database will be retained while you remain a Delegate or Friend of IOPTWH, after which it will be deleted.

Delegates and Friends of IOPTWH may request access to the data we hold on them at any time by emailing the IOPTWH secretary secretary@ioptwh.wcpt.org. We shall supply this information within 30 days. We take all reasonable precautions to prevent loss, misuse or alteration of any information we are given and we regularly review this policy and update it as appropriate.
